4. *A candidate enrolling for BA programme in KKHSOU is required to select his/her elective courses after careful deliberation in 1st Semester. If subsequently, a learner wants to change elective course in the 1st Semester, he/she should write an application (forwarded by the Study Centre) to the Registrar of the University. The last date for course/subject change after admission (if any) will be one month from the last date of admission i.e. 30th September 2019 for which no fees will be taken from the learner however after the stipulated one month for subject change, a learner has to pay through SBI challan a sum of Rs. 500/- plus the cost of SLM (Rs. 75/- for undergraduate programmes; and Rs. 150/- for post-graduate programmes per block of each SLM).*
5. *For advertisement and preparation of video materials the multimedia and publication division may be requested. The finalization of formal procedure will be decided in the next meeting.*
6. *The study centres will be communicated for verification of originals documents of the learners on the day of SLM collection. The study centres will submit a list of verified students to the university under the signature of the co-ordinator and centre in charge.*
7. *The admission committee suggested to print admission leaflet and send the same to the respective study centres so that the same may be displayed in the notice board of the study centres and distribution to local peoples and in those study centres where enrollment ratio drastically reduces.*
8. *The admission committee is also in view that banner for admission may be given to the study centres so that the same may be displayed by the study centres in their respective towns and nearby areas including in their own study centre.*
